A1 United - Heating, Air Conditioning & Electrical Contractors in Omaha. NE

As a preferred 24 hour heating and cooling service in the Omaha, NE and Council Bluffs, IA areas, A-1 United has been assisting home and business owners with keeping their HVAC systems running smoothly since 1975.

HVAC & Electrical

We understand that you have plenty of options to choose from in terms of heating and air conditioning contractors, which is why we value each and every one of our customers so much. As well, there's no need to search among other electrical contractors for your next repair or installation of light fixtures, outlets, circuit breakers and more – we have you covered. By combining our decades of experience with around the clock service, you can truly depend on our HVAC and electrical professionals.

Emergency HVAC Service

Our emergency furnace repair service is available 24 hours a day, seven days a week. We know that emergencies can strike at any time, which is why we've made getting the service you need when you need it easier than ever. Whether you need simple air conditioner or furnace repair or a complete new furnace installation, there's no need to panic when you have A-1 United on your side.

Highly Trained, Highly Professional

Our company is employee owned and operated, allowing us to focus on bringing the best possible heating and air service to our customers in and around the Omaha, NE and Council Bluffs, IA areas. Air conditioning installation, gas furnace repair, and home humidifier replacement are just a few of the valuable services we're proud to offer.
